

Newman Center Annual Christmas Program

Sunday, December 13, 2009

10:30 Mass

To: Faith Sharing Teams

Our annual Christmas program is Sunday, December 13th, at the 10:30 Mass. During the homily period, each grade will present for 1 to 3 minutes. Examples of presentations include singing a Christmas song with props, saying a prayer, taking turns saying something special, announcing a special charity project the group did, etc.

Please keep the presentations fairly simple because we have 10 grades to cover. We also don't want preparations for the program to dominate the weekly lesson for too many weeks. If the presentations include students speaking, they will need to use a microphone so they can be heard in church. You may want to have the children practice speaking into a microphone.

We will have a regular 10:00 Faith Sharing Class on the day of the presentations so you will be able to finish preparations for the program.

If you have any questions, please call Nancy Whelan at #983-2785.

Thank you to our volunteers!
